HOUSE ENGROSSED NO. **SB 200** - 3/8/2011

Introduced by: The Committee on Education at the request of the Office of the Governor

1 FOR AN ACT ENTITLED, An Act to revise certain provisions related to school district fund
2 balances and to declare an emergency.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

4 Section 1. That § 13-13-10.1 be amended to read as follows:

5 13-13-10.1. Terms used in this chapter mean:

6 (1) "Average daily membership," the average number of resident and nonresident
7 kindergarten through twelfth grade pupils enrolled in all schools operated by the
8 school district during the previous regular school year, minus average number of
9 pupils for whom the district receives tuition, except pupils described in subdivision
10 (1A) and pupils for whom tuition is being paid pursuant to § 13-28-42.1 and plus the
11 average number of pupils for whom the district pays tuition;

12 (1A) Nonresident students who are in the care and custody of the Department of Social
13 Services, the Unified Judicial System, the Department of Corrections, or other state
14 agencies and are attending a public school may be included in the average daily
15 membership of the receiving district when enrolled in the receiving district. When

counting a student who meets these criteria in its general enrollment average daily membership, the receiving district may begin the enrollment on the first day of attendance. The district of residence prior to the custodial transfer may not include students who meet these criteria in its general enrollment average daily membership after the student ceases to attend school in the resident district;

(2) "Adjusted average daily membership," calculated as follows:

(a) For districts with an average daily membership of two hundred or less, multiply 1.2 times the average daily membership;

(b) For districts with an average daily membership of less than six hundred, but greater than two hundred, raise the average daily membership to the 0.8293 power and multiply the result times 2.98;

(c) For districts with an average daily membership of six hundred or more, multiply 1.0 times their average daily membership;

(2A) "Fall enrollment," the number of kindergarten through twelfth grade students enrolled in all schools operated by the school district on the last Friday of September of the current school year minus the number of students for whom the district receives tuition, except nonresident students who are in the care and custody of a state agency and are attending a public school and students for whom tuition is being paid pursuant to § 13-28-42.1, plus the number of students for whom the district pays tuition. When computing state aid to education for a school district under the foundation program pursuant to § 13-13-73, the secretary of the Department of Education shall use either the school district's fall enrollment or the average of the school district's fall enrollment from the previous two years, whichever is higher;

(2B) Repealed by SL 2010, ch 84, § 1.

(2C) "Small school adjustment," calculated as follows:

(a) For districts with a fall enrollment of two hundred or less, multiply 0.2 times \$4,237.72;

(b) For districts with a fall enrollment of greater than two hundred, but less than six hundred, multiply the fall enrollment times negative 0.0005; add 0.3 to that result; and multiply the sum obtained times \$4,237.72;

The determination of the small school adjustment for a school district may not include any students residing in a residential treatment facility when the education program is operated by the school district;

(3) "Index factor," is the annual percentage change in the consumer price index for urban wage earners and clerical workers as computed by the Bureau of Labor Statistics of the United States Department of Labor for the year before the year immediately preceding the year of adjustment or three percent, whichever is less;

(4) "Per student allocation," for school fiscal year 2011 is \$4,804.60. Each school fiscal year thereafter, the per student allocation is the previous fiscal year's per student allocation increased by the index factor;

(5) "Local need," is the sum of:

(a) The per student allocation multiplied by the fall enrollment; and

(b) The small school adjustment, if applicable, multiplied by the fall enrollment;

(6) "Local effort," the amount of ad valorem taxes generated in a school fiscal year by applying the levies established pursuant to § 10-12-42;

~~(7) "General fund balance," the unreserved fund balance of the general fund, less general fund exclusions plus, beginning with transfers made in fiscal year 2001, any transfers out of the general fund for the previous school fiscal year;~~

~~(9)~~ "General fund base percentage," is the lesser of:

~~(a)~~ The general fund balance percentage as of June 30, 2011; or

~~(b)~~ The maximum allowable percentage for that particular fiscal year as stated in this subsection.

~~For fiscal year 2008, the maximum allowable percentage is one hundred percent; for fiscal year 2009, eighty percent; for fiscal year 2010, sixty percent; for fiscal years 2011 to 2014, inclusive, forty percent for each fiscal year; for fiscal year 2015 and subsequent fiscal years, twenty-five percent. However, the general fund base percentage may always be at least twenty-five percent;~~
